And this can be availed unlimited number of times.

For all those instances when your doctor has recommended a treatment which is not in your city of stay.

Personal Accident Cover

Forget the hassles of maintaining two separate policies, one for a health insurance cover & second for personal accident cover. By selecting this add- on cover you get coverage for Accidental Death and Permanent Total Disability for up to 10 times of the Sum Insured opted.

International Second Opinion

We believe that sometimes reassurance works better than the cure itself. Hence before going ahead with the treatment recommended, we give you an option to consult doctors and take a second opinion.
